DESIGNED AS A SCULPTURE

# NANCY CORZINE

Lipstick lounge chair is a perfect showcase that demonstrates the width and breath of Nancy Corzine's designs, where transitional classic, modern, and contemporary can reside in harmony in a collection with a change of fabric.

Each genre brings its own energy in the design process. The lipstick lounge chair is definitely an attention grabber that begins a story, or an exclamation mark that completes the tale, making a positioning statement and adding glamor to the project.

# NANCY CORZINE

Last 40 years, Nancy Corzine transformed many luxury homes to private sanctuaries for their owners.

Our North American manufacturing facilities support ready-to-ship popular pieces as well as custom designs and specifications to suit distinct needs of **each client**.

From concept to installation, we meet clients at any stage of their design process. Whether looking for one accent piece, or changing an entire estate, whether it is for a small change of flavor, or to outfit a new build, our full design team with designers and architects on staff can help you turn your floorplans into furnished drawings, incorporating Nancy Corzine's **glamour at home**, one line and one curve at a time.

Our team is well trusted by curators, stylists, and designers as we thrive in assisting them help their clients turn **dreams to reality**.
